Sir

As our canal & gas transactions
suspended for a while; I leave take
occasion of the "interspace," as the German Scholars
say, to make out our accounts, which
indebtedness had to the hundreds which have
ed between us) are pretty nearly balanced -
d on particulars, to enable you to settle your
unts with your "Principals." - You have herewith 3
rders registered, & the remaining one, which
the executed print & then returned me.

Yours &c.
